

Curriculum Vitae (CV)

Personal Information

Name: Rania Ahmad Yousseff

- E-mail : raniayouseff1983@gmail.com.

- Mobile: 0987483290

- Languages: English fluent writing and reading

Arabic native language

Education and Academic Background

- Bachelor of Pharmacy, Faculty of Pharmacy, Damascus University, 2006

- Master of Science in Food Chemistry and Control, Faculty of Pharmacy, Damascus University, 2011

- PhD in Food Control, Faculty of Pharmacy, Damascus University, 2025

Principal Positions:

- Head of the Pharmacy Department, Al-Andalus Private University for Medical Sciences, 2012-2014

- Scientific Coordinator, Faculty of Pharmacy, Al-Andalus University Scientific Harvest Days

- Supervisor of the practical component of Physical Chemistry and Food Chemistry courses in the laboratories of the Faculty of Pharmacy, Damascus University, between 2007-2010 and 2016-2025 - Supervisor of the practical component of Physical Pharmacy and Separation Techniques courses at the Syrian International University during 2011.

- Acting Dean at Al-Andalus Private University for Medical Sciences, Faculty of Pharmacy, Department of Analytical and Food Chemistry, from 2011 to 2016 (supervisor of the practical component of Analytical Chemistry 1 and 2, Pharmaceutical Chemistry 1, and Instrumental Analysis).

- Participant (lecturer) in scientific seminars and workshops held at Tishreen University.

- Supervisor of the practical component of the Physical Pharmacy course at the Syrian International University during the 2016-2017 and 2017-2018 academic years.

- Instructor of the theoretical component of the Physical Chemistry course for second-year students during the 2019-2020 academic year, and of the Physical Pharmacy and Food Chemistry and Control courses for fourth-year students during the 2018-2019 and 2019-2020 academic years at the Faculty of Pharmacy, Hama University.

- Instructor at Al-Andalus Private University for Medical Sciences, Faculty of Pharmacy, Department of Analytical and Food Chemistry, from the academic year 2018-2019 until 2024-2025 (supervising the practical component of Physical Pharmacy 1 and 2 and Analytical Chemistry 1 and 2).

- Instructor for Physical Pharmacy 1 and 2 courses at the Faculty of Pharmacy, Al-Andalus Private University for Medical Sciences, for the academic year 2025-2026.

● **Publications and Scientific Work:**

- Participation in the development of the General and Inorganic Chemistry course for first-year students at the Faculty of Pharmacy, Al-Andalus Private University for Medical Sciences.

- 2- Youseff Rania, Soubh Lina, Alassaf Zaid. Detection of vegetable oil adulteration using desmethyl sterols compositions. International Journal of Pharmaceutical Sciences Review and Research, 2014, 28(2), 229-233.

- 3- Youseff Rania, Soubh Lina, Alassaf Zaid Simultaneous Identification and Quantification of Phenylalanine, Glycine and Lysine amino acids and conjugated heterocyclic amines in Maillard chemical model system using RP-HPLC-DAD Research Journal of Pharmacy and Technology; Raipur Vol. 17, Iss. 2, (Feb 2024): 538-546. DOI:10.52711/0974-360X.2024.00084
