 Tartus - Syria

Scientific Certificates

Bachelor's Degree

Baghdad University 1983-1984

Master's Degree in Microbiology- Parasitology

Baghdad University 1992-1993

Ph.D. in Epidemiology of Parasitology

Baghdad University 1998-1999

Diploma of the International Academy of Environmental Sciences and Life Protection

Saint Petersburg University 2005

Language Skills

Arabic: Mother tongue

English: Very good

Current and Previous Scientific Works

- Vice President of Al-Andalus Private University for Medical Sciences 2023-2024.
- Vice President of Arab Private University for Science and Technology 2022-2023.
- Chairman of the Scientific Affairs Council at Arab Private University for Science and Technology 2022-2023.
- Vice President of Al-Hawash University 2015-2016.
- Vice Dean of the Faculty of Pharmacy in of Al-Hawash University from 2011 until the end of 2012 and for 2014-2015.
- Member of European Society of Microbiology and Infectious diseases 2022.
- Member of the American Society of Microbiology 2017.
- Member of the International Academy of Environmental Sciences and Life Protection - a genuine academic member 2005.
- A participating member in many scientific and medical sites, including CDC, Medscape, Harvard medical school, Practicupdate, GoodRx.
- A genuine member in Google scholar and ResearchGate
- Member of the Al-Hawash Private University Council in “2011-2012” and “2015-2016”.
- Member of the Faculty of Cosmetology at Al-Hawash Private University.
- Member of the Council of the Pharmacy Faculty, Al-Andalus Private University for Medical Sciences as head of the Department of Biochemistry and Microbiology 2016-2022.
- Head of the Department of Biochemistry and Microbiology at the Faculty of Pharmacy - Al-Andalus Private University for Medical Sciences 2016-2022.
- Member of the Board of Al-Andalus Private University for Medical Sciences, Head of Academic Supervision 2013.
- Member of the Iraqi Society for Iraqi Medical and Environmental Development 2008.
- Technical expert in The Arab Company for the Manufacturing of Pharmaceuticals and Pesticides, Amman, Jordan 2003-2004.
- Director of Environmental Protection and Improvement, Babil, Iraqi Ministry of Health 1997-2001.
- Epidemiologist, Health Protection Department, Iraqi Ministry of Health 1993-1998.
- Researches and lectures participant in the International Academy Conferences (IAELP) in Donetsk, Ukraine.
- Participant in a number of scientific and medical conferences in Iraq and Syria.
- Research participation in scientific conferences at Al-Hawash University and Tishreen University.
- Preparing 10 scientific posters for participating in local and international scientific fairs.
- Editor-in-chief of the Health and Environment Journal, Iraqi Ministry of Health 1997-1999.
- Preparing many studies and research related to the specialization and participating in conferences inside Iraq.

- An expert in infectious and zoonosis diseases in the Iraqi Ministry of Health.
- He received more than 30 gratitude and appreciation from ministers, heads of health and academic boards and governors.

Scientific Supervisions

- Chairman of the Preparatory Committee for the First Pharmaceutical Conference at Arab Private University for Science and Technology 2022-2023.
- Supervisor of the first scientific forum for dentistry at Arab Private University for Science and Technology 2022-2023.
- Supervisor of the first student scientific forum, Faculty of Dentistry at Arab Private University for Science and Technology 2022-2023.
- Supervision of four scientific conferences for the environment in Iraq.
- Co-supervisor of master's students, Tishreen University, Latakia, Syria, 2015 and 2021.
- Co-supervising a master's student at the Higher Institute of Environment, Tishreen University, Latakia, Syria.
- Supervising more than 150 graduation projects in the Faculties of Medicine, Pharmacy and Cosmetology in Al-Hawash Private University and Al-Andalus University of Medical Sciences.
- Reviewer of master's theses at the Faculty of Pharmacy - Al-Baath University.

Teaching Experiences

- Teaching public health and parasites in Iraqi universities, health institutes and medical technical institutes.
- Teaching in the Faculty of Medicine, Maxim Gorki Medical University (Ukraine).
- Teaching Bacteriology and Parasitology, Faculty of Dentistry, Syrian International University for Science and Technology, Syria, 2008-2009.
- Teaching Parasitology and Mycology, Faculty of Pharmacy, Al-Hawash Private University, Syria from 2009 to 2013.
- Teaching Parasitology and Mycology, Faculty of Cosmetology, Al-Hawash Private University, Syria from 2009 to 2013.
- Teaching Microbiology (1+2), Faculty of Pharmacy, Al-Andalus Private University for Medical Sciences, 2012 -2022
- Teaching Microbiology (1+2), Faculty of Medicine, Al-Andalus Private University for Medical Sciences, 2013 - 2022.
- Teaching Pharmaceutical Microbiology (1+2), Faculty of Pharmacy, Hama University, Hama, Syria for the academic years 2019-2020 and 2020-2021.
- Teaching Microbiology, Faculty of Pharmacy, Arab Private University for Science and Technology, 2022-2023.
- Teaching Bacteriology for laboratory diagnosis graduate students - Faculty of Pharmacy - Al-Baath University 2022-2023.
- Teaching Parasitology and Mycology for laboratory diagnosis graduate students - Faculty of Pharmacy - Al-Baath University 2022-2023.

Scientific Output

- Epidemiological study of *Echinococcus granulosus* in Babylon Governorate (MSC thesis, University of Baghdad, 1993).
- Epidemiological study of *Ascaris lumbricoides* in the Musayyib area (Ph.D thesis, University of Baghdad, 1998).
- Epidemiological study of *Leishmania* parasite in Safita area- Tartous, Syria. Kanaan Al-Tameemi, Reem Harfouch, Fadi Hajjar. Journal of Chemical and Pharmaceutical Sciences 11 (1), 2018.

- Prevalence of intestinal helminths infection in patients reporting to the microbiological laboratory at Tishreen University Hospital, Latakia, Syria, during the years 2016-2017. Kanaan Al-Tameemi, Amal Dayoub & Raiaan Kabakli, Journal of Chemical and Pharmaceutical Sciences 12, (3), 2019.
- *Toxoplasma gondii*: Fact review. Kanaan Al-Tameemi & Raiaan Kabakli. Journal of Chemical and Pharmaceutical Sciences 12 (3), 2019.
- A study in the epidemiology of tuberculosis in the province of Tartous - Syria for the period 2012-2016. Kanaan Al-Tameemi, Fadi Hajjar, Amal Dayoub & Raiaan Kabakli. Journal of Chemical and Pharmaceutical Sciences 12 (3), 2019.
- *Ebola* virus: An overview of disease and treatment, Kanaan Al-Tameemi & Raiaan Kabakli. Asian Journal of Pharmaceutical and Clinical Research 12 (10), 2019.
- Contamination of water with helminth eggs: A case study of Sourani dam lake-Tartus governorate. Kanaan Al-Tameemi, Amal Dayoub & Mervat Mazloom. Asian Journal of Pharmaceutical and Clinical Research 12(10), 2019 .
- Lymphatic filariasis: an overview. Kanaan Al-Tameemi & Raiaan Kabakli. Asian Journal of Pharmaceutical and Clinical Research 12 (12), 2019.
- Hydatid cyst with focus on manifestations, diagnosis, and management: Review. Kanaan Al-Tameemi & Raiaan Kabakli. Asian Journal of Pharmaceutical and Clinical Research 12 (12), 2019.
- An Overview: Botulinum Toxins and their Therapeutics usages. Kanaan Al-Tameemi, Hiba Serdani, Hiba Mohammad & Raiaan Kabakli. Journal of Chemical and Pharmaceutical Sciences 13 (1), 2020.
- *Ascaris lumbricoides*: Epidemiology, diagnosis, treatment, and control. Kanaan Al-Tameemi & Raiaan Kabakli. Asian Journal of Pharmaceutical and Clinical Research 13 (4), 2020.
- Rabies, Scientific review in the pathogenesis of disease and its management. Kanaan Al-Tameemi & Raiaan Kabakli. Journal of Chemical and Pharmaceutical Sciences 13 (4), 2020.
- *Helicobacter Pylori*: An Overview and Facts. Kanaan Al-Tameemi & Raiaan Kabakli. Journal of Chemical and Pharmaceutical Sciences 13 (4), 2020.
- Novel coronavirus (2019-nCoV): disease briefings. Kanaan Al-Tameemi & Raiaan Kabakli. Asian Journal of Pharmaceutical and Clinical Research 13 (5), 2020.
- Zika Virus: A Brief Review. Kanaan Al-Tameemi & Raiaan Kabakli. Asian Journal of Pharmaceutical and Clinical Research 13 (7), 2020.
- Anthocyanin pigments: Structure and biological importance Rana Nassour, Abdulkarim Ayash & Kanaan Al-Tameemi. Journal of Chemical and Pharmaceutical Sciences 13(4), 2020.
- Vitamin D: structure and physiological importance Kanaan Al-Tameemi & Rana Nassour. Journal of Chemical and Pharmaceutical Sciences 14(2), 2021.
- Continued progress towards elimination of lymphatic Filariasis. Kanaan Al-Tameemi & Raiaan Kabakli. Journal of Chemical and Pharmaceutical Sciences 14(2), 2021.
- Betalains` structure, existence and biological importance. Kanaan Al-Tameeni & Rana Nassour. Journal of Chemical and Pharmaceutical Sciences 14(3), 2021.
- Study in epidemiology of cancer in Syrian Arab republic between 2008-2012. Kanaan Al-Tameemi, Aseel Rashid Abed, Rana Nassour & Aycha Bakkour. British Journal of Medical and Health Research 8(7), 2021.
- SARS-COV-2 pandemic in Syria: Symptoms and treatments. Kanaan Al-Tameemi, Hasan Raheem Khudhur, Hend Dayoob, Seba Youssef & Tarik Zuzu. British Journal of Medical and Health Research 8(7), 2021.
- Societal usage of antibiotics in the Syrian coastal region during 2021. Kanaan Al-Tameemi, Ahmed Shayaa Kareem, Rana Nassour, Fadilah Haj Jumaa & Sana Jendi. British Journal of Medical and Health Research 8(8), 2021

- COVID-19 incidences and symptoms among children. Kanaan Al-Tameemi, Rana Nassour & Abbas Omran Abbas Hadi. World Journal of Pharmaceutical and Medical Research 7 (10), 2021.
- *Listeria monocytogenes*: Mechanisms of Pathogenesis and Antimicrobial Resistance. Kanaan Al-Tameemi, Raiaan Kabakli, Farazdaq Noori Abed & Abdullah Hamad. Bulletin of Pharmaceutical Sciences- Assiut University 45(2), 2022.
- A study in epidemiology of COVID-19 in Baniyas and Alkadmos areas during 2021. Kanaan Al-Tameemi, Rana Nassour, Renad Ali Sleman, Maya Sami Daoud & Lara Samer Murad. Malaysian Journal of Microbiology 18(6); 2022.
- Monkeypox: Facts about the Disease. Kanaan Al-Tameemi, Rana Nassour & Abdullah Hamad. Bulletin of Pharmaceutical Sciences- Assiut University 45(2); 2022.
- The medical importance of chlorophylls and their derivatives. Kanaan Al-Tameemi, Rana Nassour & Abdullah Hamad. World Journal of Pharmaceutical and Medical Research 8 (10), 2022.
- A renewed threat in Syria: Cholera. Kanaan Al-Tameemi , Raian Alzoaabi & Rana Nassour. European Journal of Pharmaceutical and Medical Research 10(4), 2023.
- Survey on the prevalence of *Staphylococcus aureus* among pharmacy and dentistry students residing in Hama and Homs-Syria. Kanaan Al-Tameemi, Raian Alzoaabi, Sousan Alkhanei & Ola Khadour. European Journal of Pharmaceutical and Medical Research 10(6), 2023.

Assistant Professor Dr. Kanaan Al-Tameemi
